# ONGOING RESEARCH PROJECT

# THE CONSTRUCTION INDONESIAN IDEOLOGY PREFERENCE SCALE | PRINCIPAL INVESTIGATOR

February - December 2018

The project aims to develop Indonesian personal ideology scale in response to recent divisive political climate. The scale would be able to help in predicting several prominent political and social behaviours.

# DO JUSTICE AND TRUST AFFECT ACCEPTABILITY OF INDONESIAN SOCIAL HEALTH INSURANCE POLICY? | PRINCIPAL

INVESTIGATOR

February 2018 - December 2019 | Funded by Universitas Airlangga
The project aims to investigate the role of perceived fairness and trust in determining policy acceptability. We were interested to see how social features of our participants might undermine their acceptability to social health insurance policy by involving 95 healthcare workers and 308 patients.

### ACHIEVEMENTS AND AWARDS

- Awarded master degree scholarship from Indonesian Ministry of Research, Technology and Higher Education (2012-2013)
- Obtained Recognition of Teaching Excellence based on Students Satisfaction Survey in 2016, 2017 and 2018
